

# MAHALAXMI MALT PRODUCTS PVT. LTD.

## ENVIRONMENTAL, HEALTH & SAFETY POLICY

(Policy No.: 08)

Mahalaxmi Malt Products Private Limited are committed to demonstrate excellence in environmental, health, and safety performance through following basic principles in managing our businesses:

- Compliance with all applicable environmental, health, and safety laws and regulations and as per customer requirement.
- Continual improvement in environmental, health and safety performance with the ultimate goal of zero injuries and zero emissions of toxic and hazardous materials.
- Design and operation of our plants and facilities in a manner that protects the environment and the health and safety of our employees and the public.
- Development and production of products that can be manufactured, distributed, used, and recycled or disposed of in a safe and environmentally sound manner.
- Open discussion of our environmental, health, and safety practices and performance.

The policy will be reviewed for its continuance suitability for ongoing business and it will be made available on request to the public and interesting party.
